reality. Whether you're lounging by the infinity pool, taking a refreshing swim in the lagoon-like sea pool, or indulging in a romantic evening under the stars, this boutique beachfront hotel promises to offer an experience that touches both the body and the soul. From the moment you step into one of the resort's spacious suites,

you're immersed in a sanctuary of comfort and beauty. Each suite features expansive living spaces, a private balcony or terrace, and views that will take your breath away. The vistas of Tamarin Bay and the majestic Le Morne Mountain provide a tranquil setting where you can unwind and recharge at any time of day.

**WELLNESS AND REJUVENATION:  
SANDS SPA**

Plunge body, mind and soul into an oasis of bliss at the Sands Spa. The hammam and sauna are free for hotel guests to use and with four private rooms, including two that accommodate couples, they offer a wide-range of treatments such as massages, reflexology, body scrubs and mud wraps.

**CULINARY DELIGHTS WITH A VIEW**  
At Sands Suites Resort & Spa, dining is

an experience in itself. With its enviable beachfront location, the resort offers not only delicious cuisine but also a setting that takes your dining experience to another level. Imagine dining with your feet in the sand, the Indian Ocean before you, and the sun sinking into the horizon.

Pink Peppercorn Restaurant brings the charm of beachfront dining to life. Here, freshly caught fish are grilled to perfection while you sip on chilled Champagne and gaze out over the turquoise waters. It's not just a meal; it's a sensory celebration, the culmination of the day's pleasures.

For those looking to indulge their palate in a more exotic direction, Spices Restaurant serves Mediterranean-inspired dishes enriched with an eclectic mix of exotic

spices. It's a vibrant blend of flavors that take you on a journey of culinary discovery, each dish more intriguing than the last.

At Tamarind Terrace, the main dining venue, you'll find a different themed buffet each day—Indian, Chinese, and locally inspired cuisines that take full advantage of the island's diverse flavors. Pair your meal with a selection from the impressive wine list, or perhaps try one of the expertly crafted cocktails by renowned French mixologist Matthias Giraud. With stunning views of Le Morne Mountain by

day and the twinkling lights of Tamarin Village by night, the atmosphere here is as unforgettable as the food.
